**Polycorp Ltd. Presenting at the MARIOS
Technical Workshop
May 10 – 11, 2023
Edmonton, AB**

Polycorp Ltd. Protective Linings Division representatives attending the **Materials and Reliability in Oil Sands (MARIOS) Year-End Technical Workshop May 10 – 11, 2023** in Edmonton, AB. Polycorp's elastomers expert, Dr. Joseph Khouri PhD, will be presenting, speaking specifically on Neoprene.

Materials and Reliability in Oil Sands (MARIOS) is an **industry-led consortium** program designed to address industry-wide issues in the oil sands industry. The program aims to develop new technologies for improving operational reliability and productivity as well as provide information on engineered materials.

Polycorp has the right materials for your corrosion and abrasion needs with over **120 material formulations** produced from natural and synthetic rubbers. For more information **about new products**, comprehensive services and **integrated solutions** offered by **Polycorp**, visit www.poly-corp.com/ProtectiveLinings.
