Polycorp Ltd. is proud to have been recognized as a 2020 Platinum Club winner of Canada's Best Managed Companies.

Since having been selected as one of Canada's Best Managed Companies in 2011, Polycorp has requalified every year since, achieving the highest honour, Platinum Club status, in 2018, 2019, and now in 2020.

Canada's Best Managed Companies is Canada's leading business awards program, recognizing excellence in private Canadian-owned companies. Each year hundreds of entrepreneurial companies undergo a rigorous application process, but only the best are awarded with this prestigious designation.

"In 2020, the bar is raised even higher for Best Managed companies as the program continues its expansion beyond Canadian borders, now in 21 countries worldwide," said Peter E. Brown, National Co-Leader of the Canada's Best Managed Companies program and Partner, Deloitte Private. "As the network of Best Managed companies continues to grow, the stakes get higher – as these companies are increasingly aware of their competition, globally. This year's select group of winners should be especially proud of their achievements and of this designation."

"As a long time sponsor of Canada's Best Managed Companies, CIBC is proud to recognize this year's winners, who have consistently demonstrated exceptional business performance in a constantly changing world," said Dino Medves, Senior Vice President and Head, CIBC Commercial Banking. "Best Managed Companies showcase outstanding leadership in their respective industries, with a clear strategy that is focused on investing for long-term success and growth."
